## Independent Practitioner's Review Engagement Report

---

To the Members of Bell Pensioners' Group Inc.

We have reviewed the accompanying financial statements of Bell Pensioners' Group Inc. that comprise the statement of financial position as at December 31, 2021, and the statements of operations, changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### Volunteer Treasurer's Responsibility for the Financial Statements

The volunteer treasurer is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### Practitioner's Responsibility

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of Bell Pensioners' Group Inc. as at December 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

1. Significant Accounting Policies

Nature and Purpose of Organization	<p>The Bell Pensioners' Group Inc. was incorporated under the laws of Canada on November 14, 1995. In November, 2013, the organization applied and was granted a certificate of continuance under the Canada Not-for-Profit Corporations Act (NFP Act).</p> <p>The primary objective of the Bell Pensioners' Group Inc. is to protect the Bell Canada pension and benefits of its members. This is accomplished through negotiations with Bell Canada, government advocacy and by supporting the Pension Information Committee pensioner representatives. It is the organization's goal to educate its members on these issues and where necessary to assist them in addressing problems in these areas. To meet its objectives, the organization is organized in various chapters in the provinces of Ontario, Quebec and Eastern Canada as well as a virtual head office, referred to as corporate. In the event of dissolution of the organization, residual funds remaining after all its assets are sold and its liabilities are met, will be used in a manner as determined by the Bell Pensioners' Group Inc.'s Board of Directors.</p> <p>The Bell Pensioners' Group Inc. is exempt from income taxes under paragraph 149(1)(e) of the Income Tax Act.</p>
Basis of Accounting	<p>The financial statements have been prepared using Canadian accounting standards for not-for-profit organizations.</p>
Fund Accounting	<p>The Bell Pensioners' Group Inc. maintains two funds, the general fund and the reserve fund.</p>
General Fund	<p>In accordance with the Board of Directors' policy, revenue raised from membership fees is maintained in the general fund. This fund also accounts for program delivery and administrative activities. This fund reports unrestricted resources.</p>
Reserve Fund	<p>The reserve fund has been established by the Bell Pensioners' Group Inc.'s Board of Directors and is therefore internally restricted. The purpose of the fund is to provide a reserve for future year's unexpected costs, legal costs, and specified project costs. The goal of the fund is to receive amounts from chapters at the rate of one percent to five percent of net revenues towards future legal counselling. Annually, the organization's committees present funding requirements for specified projects which the Board of Directors will set aside funds. Transfers to or from the fund are as approved by the organization's Board of Directors.</p>

1. Significant Accounting Policies (continued)

**Revenue Recognition**      The organization follows the restricted fund method of accounting for contributions. Restricted contributions (excluding transfers between funds) are recognized as revenue in the corresponding fund in the current period. Restricted contributions for which no corresponding restricted fund is presented are recognized in the general fund in accordance with the deferral method, whereby the contributions are not recognized as revenue until the related expense are incurred. Unrestricted contributions are recognized as revenue in the general fund when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Membership revenue is recorded in the period to which the membership relates.

Unrestricted investment income is recognized as revenue in the general fund when earned

**Financial Instruments**      Financial instruments are recorded at fair value at initial recognition.

In subsequent periods, equities traded in an active market are reported at fair value, with any unrealized gains and losses reported in operations. All other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items remeasured at fair value at each statement of financial position date and capitalized and amortized over the expected life of the instrument using straight-line method for those measured at cost or amortized cost.

The Bell Pensioners' Group Inc.'s financial instruments consists of cash, investments, accounts receivable, accounts payables and accrued liabilities. Cash, accounts receivable, accounts payable and accrued liabilities are valued at cost which approximates fair value at year-end due to their short-term maturities. Short-term and long-term investments are valued at cost plus accrued interest which would not differ materially from their fair value at year-end due to their relative short-term maturities. It is the voluntary treasurers' opinion that the organization is not exposed to significant interest, currency or credit risks arising from these financial instruments.

1. Significant Accounting Policies (continued)

Capital Assets	<p>The organization is exempt from the not-for-profit accounting requirements related to capital assets and its Board has determined that any capital asset expenditures are to be charged to operations in the year such expenditures are incurred.</p> <p>During the year, approximately \$7,982 (2020 - \$2,200) of computers and software was purchased and expensed.</p>
Donated Services	<p>The work of the organization is dependent on the voluntary services of the many individuals. Since these services are not normally purchased by the organization and because of the difficulty in determining their fair value, donated services are not recognized in these financial statements.</p>
Financial Risk Management	<p>The organization's investment plan is based on anticipated liquidity requirements, as indicated in its approved budget, thereby decreasing the risk of incurring a penalty on the principal value of investments. Eligible securities for investments must be convertible to cash within 90 days from request.</p> <p>Eligible securities are defined in the investment plan as a bond, debenture, guaranteed investment certificate, term deposit or similar instrument that is issued or guaranteed by the federal or any provincial government, or that is issued by an institution in Ontario and/or Quebec insured by a recognized insurer federally or provincially. The organization is not involved in any hedge relationships through its operations and does not hold or use any derivative financial instruments for trading purposes.</p>
Inter-Chapter Transfer	<p>All inter-chapter transfers have been eliminated for financial statement purposes.</p>
Use of Estimates	<p>The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires the voluntary treasurers to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. The principal estimates used in the preparation of these financial statements include accounts receivables, accounts payable and accrued liabilities. Actual results could differ from the voluntary treasurers' best estimates as additional information becomes available in the future.</p>

7. Related Party Transactions

During the year, honorariums of \$4,150 (2020 - \$3,775) were paid to members of the Chapters Executive, excluding the Chair and Vice Chair, in recognition of the volunteer time spent by these individuals.

---

8. Financial Instruments

Liquidity risk

The Bell Pensioners' Group Inc.'s objective is to have sufficient capital to meet the financial requirements of the organization enabling it to operate efficiently while maintaining a reserve fund that is at an adequate level for continuing operations. The organization's objective when managing its capital are to maintain flexibility between:

- enabling it to operate efficiently;
- providing liquidity for growth opportunities;
- having funds available to internally finance special projects;
- having funds available for unexpected increases in expenditures or decreases in revenue;
- and
- providing a constant and predictable membership fee structure.

The Board of Directors does not establish quantitative return on capital criteria.

There has been no change to this risk in the year.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Bell Pensioners' Group Inc. is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fixed-interest instruments subject the Bell Pensioners' Group Inc. to a fair value risk while the floating rate instruments subject it to a cash flow risk.

The Bell Pensioners' Group Inc. is exposed to changes in interest rates related to its short-term and long-term investments. The Bell Pensioners' Group Inc.'s primary objective is to ensure the security of principal amounts invested and provide for a high degree of liquidity, while achieving a satisfactory return.

The Bell Pensioners' Group Inc. mitigates interest rate risk on investments by diversifying the durations of the fixed-income investments that are held at a given time.

There have not been any changes in the risk in the year.

9. Uncertainty Due To Covid-19

On January 30, 2020, the World Health Organization announced a global health emergency because of a new strain of coronavirus, the "COVID-19 outbreak". In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally.

The full impact of the COVID-19 outbreak continues to evolve throughout the world including Canada. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the impact on the organization will not be known with certainty for months to come. If the pandemic continues, it may continue to negatively affect the organization's operations in 2022.

---

10. Membership Fees

During the year, the Board of Directors made the following decision related to 2022 membership fees:

- those members in good standing at the end of 2021, will have 2022 membership fees deferred to 2023.
- new members for 2022 will have their 2022 memberships fees deferred and recognized as 2023 membership fees.

The Board does not expect to recognize any membership fees as revenue for 2022.
